

WebCaricature Dataset Release Agreement

Introduction

The WebCaricature Dataset can only be used for scientific research purposes. It was collected by the R&L Group of Nanjing University, China. Any individuals or groups may use this Dataset free of charge for the purposes stated above.

Rules

- Redistribution:** Without prior permission from the R&L Group, the Dataset, either entirely or partly, must not be further distributed, published, copied, or disseminated in any way or form, no matter for profitable use or not, including further distribution to a different department or organization in the same system.
- Modification:** Without prior permission from the R&L Group, the Dataset, either entirely or partly, is not allowed to be modified.
- Commercial use:** Without prior permission from the R&L Group, the Dataset, either entirely, partly, or in any format derived thereof, is not allowed for commercial use.
- Publication requirements:** In no case should the images be used in any way that may possibly cause dispute, embarrassment or mental anguish to any of the subjects in the Dataset.
- Acknowledgement:** The following references should be cited in all documents and papers that report experimental results conducted based on this Dataset:
[1] Jing Huo, Wenbin Li, Yinghuan Shi, Yang Gao and Hujun Yin, "WebCaricature: A Benchmark for Caricature Recognition", *British Machine Vision Conference*, 2018.
